COVID Home Learning Expectations Parents' Guide

At Burnside Primary School, we are doing everything possible to keep children, families and our staff safe in these difficult times, but it is also vitally important that our children keep learning and continue to thrive. Children who are not ill, but are isolating at home due to COVID-19 safety measures are expected to access learning resources (online or offline) for 3-4 hours per day as per the tables below. There are two different categories of COVID absence home learning:

1. If your child's whole class / bubble is closed

2. If your child is isolating due a household member having symptoms, or following contact with a confirmed positive case of COVID

Families should use the links from this document or Google Classroom to access personal learning set for children by teachers in school as well as free national resources. If work cannot be completed online for any reason, please let school know as soon as possible.

1. If your child's whole class / bubble is closed

	Key stage 1	Key Stage 2
Online Password reminders will be sent home with children if a bubble closes	**Google Classroom** • All planned tasks to be completed from Google Classroom every school day • Work will be posted daily by teachers • Linked to current learning focus in school • Attendance at scheduled online Google Meet sessions **Lexia** • Literacy games to improve phonics and spellings **Education City** • Literacy and maths games to develop basic skills	**Google Classroom** • All planned tasks to be completed from Google Classroom every school day • Work will be posted daily by teachers • Linked to current learning focus in school • Attendance at scheduled online Google Meet sessions **Times Tables Rock Stars (TTRS)** • Games to improve the recall of multiplication and division facts **Reading Plus** • Online reading and comprehension activities to match the child's ability **Education City** • Literacy and maths games to develop basic skills

Offline	**Home Learning Pack** • sent home with children in September **Daily physical activity within the home/garden** • exercise challenges e.g. how many • star jumps in a minute • dance! • sing and move to action songs **Daily reading** • Home reader • Comics • Picture books **CPG Books** **Weekly discussions with school staff regarding progress and resources**	**Home Learning Pack** • sent home with children in September **Daily physical activity within the home/garden** • exercise challenges e.g. how many • star jumps in a minute • dance! • 5 Minute Moves - Kids workouts (YouTube) **Daily reading** • Home reader • Comics • Fiction and non-fiction books • Appropriate news stories **CGP Books** **Weekly discussions with school staff regarding progress and resources**

Online Safety

Your child's safety is of paramount importance to us whether in school or accessing learning online at home. We strongly recommend that you use the following resources, activities, games and articles from 'Be Internet Legends' to improve your own and your child's awareness of online safety. Make sure that you and your children understand the Internet Legends Code:

★ Be Internet Sharp - think before you share

★ Be Internet Alert - check its for real

★ Be Internet Secure - protect your stuff

★ Be Internet Kind - respect each other

★ Be Internet Brave - when in doubt, discuss

Safeguarding and Wellbeing

DFE and school expectations are that daily contact is made with children absent due to COVID isolating. In most cases this will be through the use of Google Classroom. Any pupils not accessing online learning will receive a wellbeing call from school

Vouchers or food deliveries will be available for all children entitled to FSM. Please contact the school office for this, or any other kind of support you may need
